WHO MAY ENROLL?

HOW THE MONTHLY PLAN WORKS

- Your annual tax levy will be estimated based on the prior year’s actual taxes, and divided into ten (10) equal payments. This amount will be deducted directly from your bank account on the **15th day of each month** from January to October, with the difference between the actual and estimated taxes adjusted on the final three withdrawals (August through October).
- You will be advised by mail of any adjustment made to the withdrawal amount once the tax rates of the current year have been established – most commonly in June.
- Annual letter indicating the amount to be withdrawn from your account on a monthly basis will confirm your enrollment in the Pre-Authorized Payment Plan.
- Your final tax bill will be receipted and sent to you by December 1st each year.

- You will receive your tax bills in February and August indicating what the installments will be and the exact due dates.
